

Merchant Processing Agreement Addendum

FOR USE OF RETAIL VERSION/TRINITY SYSTEM

This MERCHANT PROCESSING AGREEMENT ADDENDUM is entered into by and between JP Morgan Chase Bank, iPayment Inc (by and through Cardpayment Solutions, a wholly owned subsidiary of iPayment, Inc) and the undersigned Applicant/Merchant.

- 1) Applicant/Merchant agrees to a five (5) cent per authorization fee when using the Retail Version of the Trinity System. This authorization fee will be billed under the line item "authorization fees."
- 2) Applicant/Merchant acknowledges that the five (5) cents per authorization fee is to cover transaction costs charged by the Trinity System and these authorization costs are not part of Cardpayment Solutions set fees and thus are not party to written proposals and offers all of the time.
- 3) Term: The merchant is under no obligation to use the Trinity System and may discontinue use at anytime. Application/Merchant would no longer pay a five (5) cent per authorization fee.

The parties have agreed to this addendum as of the date below:
